RE: MTC TIP Revision No. 2011-24 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2011 Federal Transportation Improvement Program (TIP). TIP Revision No. 2011-24 revises 86 projects with a net decrease in funding of \$23.5 million. Among other changes, this revision:

- Updates the funding plans of five STIP funded projects, two Proposition 1B CMIA funded projects and one Proposition 1B SLPP funded project to reflect CTC actions;
- Updates the Air Quality Descriptions of 10 projects in concurrence with Air Quality Conformity Task Force actions;
- Updates the Sponsor and Implementing Agency information on 27 projects to reflect the consolidation of ACTIA and ACCMA into ACTC;
- Updates the funding plans of 13 Regional Planning Activity projects to reflect the programming of STP funds;
- Updates the funding plan of the SF Muni Third Street Light Rail Phase 2 - New Central Subway project to change the fund source for \$85 million in RTP-LRP funds in FY 2015 to FTA New Starts funds in FY 2012 and revise \$251.3 million in RTP-LRP funding to Prop-1A (\$61.3 million), Prop-1B (\$126 million) and local funds (\$64 million). The total project cost for the project does not change; and
- Updates the funding plans and back up listings of three grouped listings (GL: Pavement Resurfacing and Rehabilitation for the SHS – Highway Maintenance [REG090058]; GL: FY10 JARC Mobility Management [REG110028]; and GL: Safety Improvements – SHOPP Mobility Program [MTC050006] including splitting out six projects along with \$42.8 million to REG090003);

The administrative modification is financially constrained by year and MTC relies on the State's programming capacity in the amount of \$85 million in 5309 funds, \$9.5 million in SHOPP funding, \$282,000 in federal High Priority Project funding, and \$58.2 million in Proposition 1B funding. MTC will update the financial plan to reflect the additional revenues with the next amendment.

The TIP revision entries have been emailed to your staff. MTC's 2011 TIP, as revised with Revision No. 2011-24, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP).

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2011 TIP, including the proposed Revision No. 2011-24, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Transportation 2035).

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/ Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793 or Adam Crenshaw at (510) 817-5794.

Sincerely,

Ann Flemer
Deputy Executive Director, Policy
